### **? When you can expect final delivery?**

We always try to provide the work before deadline during working days. In emergency cases, I will inform you. If you consider, we will do the work as soon as possible. But if you don't want to consider then, the whole payment will be refunded and order will be cancelled on mutual basis.

### **? What if you are not satisfied with delivery?**

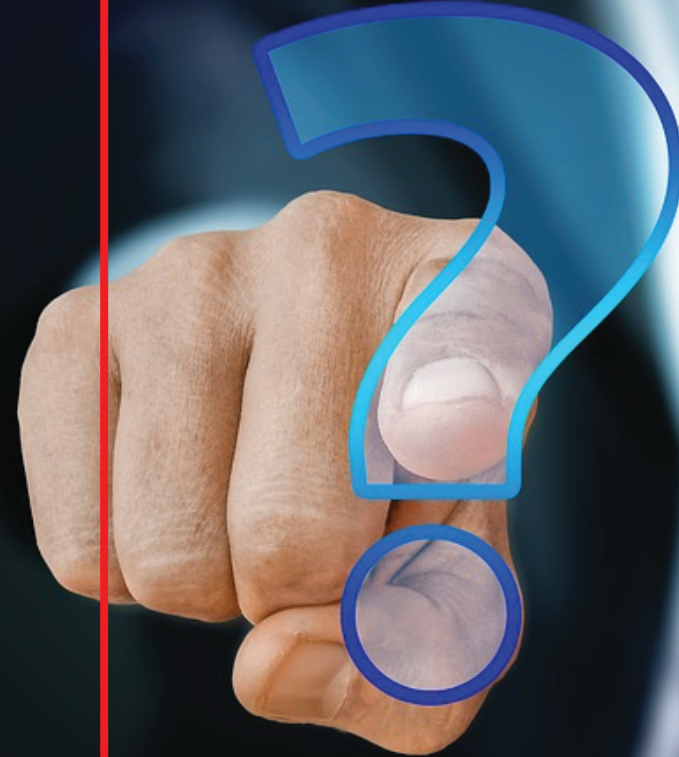

You can ask for modifications in the work as your want.

### **? How you can expand the project scope?**

You need to discuss first and then have to modify the order. While modifying the order you must show corporation according to the available working hours. For additional work, extra payments will be charged.

### **? What is refund policy in case of order cancellation?**

You have to pay 50% of project price (inventory or stock costs are not included in working ), if you want to cancel the order. The remaining 50% will be refunded via available refund medium.
